## CONSCIOUS LIGHT MASTER ATTUNEMENT

Attunement Video & Transcription	MASTER MANUAL page 15
----------------------------------	-----------------------

You will meet with your Master at the Temple of the Masters, and be attuned by Great Beings of Light with the highest frequency for your healing and for your higher purpose.

You will receive the frequencies of love, joy, trust and surrender.

Your Master will be there for you to call upon at any time you need guidance.

There is great celebration, and such excitement at you having made this connection with them.
