

Welcome to 'Heart Healing Retreat'. For those who love to be part of a tribe, I offer this as a retreat with a very small group, a maximum of six guests.

This retreat is energy shifting and each time you repeat the techniques and meditations... as you have lifetime access online... you will experience something new.

In the 'Heart Healing Retreat' you will be:-

- Clearing away burdens from the past – which have no value in your future;
- Clearing & cleansing your energy centres;
- Allowing light into your body and your life; and
- Creating more confidence in connecting with your higher self and soul.

ENERGY EXCHANGE \$70.00
