

Hello and welcome. My name is Robyn, I am a Quantum Hypnotherapist and a Transformation Teacher.

I invite you to my free online course called 'Activate your Intuition'.

After having experienced Activate, you find yourself naturally listening to your higher intuitive self also known as your Soul more consciously in your life.

- You will also have blended with your inner child, inspiring you to nurture that part of you and create more fun in your life;
- Ignite your voice, to discover the different ways to express your truth in a safe and confident way; ignite your body, to listen to its wisdom and to learn how you can support it;
- Ignite your heart, to open yourself up to allow more love in different ways in your life;
- Ignite your peace, to hold this as your foundation feeling, opening yourself up to allow more magical experiences available to you;
- Ignite your curiosity, to discover what lights you up and what you love to do, and then finally;
- Ignite your creativity, to inspire you to bring all of this together to create a fulfilling life with more joy, love, clarity, and harmony in it.

You are also invited to a private Facebook group called 'Higher Communications -- chat group' as a way to share your experiences, connect and support each other.

I look forward to connecting with you further and intend that you make firm friends within this community as it grows... and I send you all my love.
