

Saturday 20th August, 2022

10.00 am – 3.30 pm

In the Heart Healing Retreat, you will begin the process of letting go and clearing away burdens from the past - which have no value in your future, leaving room in your emotional body for more love.

There will be a shift in your cells which will recalibrate throughout your body.

You will learn easy techniques on:

- How to uplift how you feel;
- Clear your energy centers;
- Release burdens;
- Allow light in your life;
- Release worry and other painful emotions to the divine to take care of; and
- Continue the practice of connecting with your higher self and soul.

You will have access to the 'Heart Healing' online course, which includes bonuses in my eBook called 'Guide for Empaths - navigating life with more ease and grace' and a special channel, which has inspired me for many years in the hope that it also inspires you.

'Heart Healing' is also the perfect foundation for 'Heart Based Power', so if it feels right for you to continue, then there is an upgrade opportunity at the end of the online course.

Exchange for the online course \$50.00
